

We know you were disappointed when tickets for the 2023 House & Garden Tour sold out but...

PLEASE CONSIDER BECOMING A STANDBY

Tour day is Saturday, January 28, 2023

Becoming a standby is a good option, especially for the afternoon departure times. Here's how our stand-by system works:

- Plan to arrive at the Welcome Center Event Plaza located at the Naples Botanical Garden 4820 Bayshore Drive, Naples an hour ahead of your desired departure time. Scheduled departure times are 8:00 a.m., 10:00 a.m., 12:00 p.m., and 2:00 p.m.
- Place your name on the stand-by list at our dedicated table located outside the Welcome Center Event Plaza. We will assign available spaces on a first come-first served basis.
- You may then enjoy refreshments and enjoy the 70th Anniversary display in the Event Plaza or take a stroll through the Botanical Garden, including Naples Garden Club's 'Idea Garden.' Be sure to be back at the stand-by table at least 15 minutes before your desired departure time to check the Stand-by list.
- When buses have boarded we will identify available seats.
- You may use cash or check to purchase your ticket for \$150 (\$115 of which is tax deductible).

So far we have never turned away a stand-by. If you have any questions please email our Ticketing Chair at info@naplesgardenclub.org.
