General Meeting via Zoom

January 04, 2021

WELCOME

President Sally Lutz called the second Zoom Membership meeting to order at 1:02 PM and wished all attendees a Happy New Year.

Business Meeting

President

Sally Lutz

Sally advised that the December 07, 2020 General Meeting Minutes are on the NGC website and will be approved unless she is contacted after the meeting.

Sally held up a copy of *Naples Florida Weekly* (December 31, 2020) and informed members that the publication has written a front page article titled, "Unusual VARIETY - Lifelong gardener lovingly tends to an oasis of rare and unusual species in Aqualane Shores". The article, with several photos highlights the beautiful home and amazing gardens of our member, Linda LaRue Brown. Members were encouraged to view and read the informative article.

Program

Co-Chairs Sudie Minamyer and Susan Kinkead

- *The Idea Garden – Celebrating the 10 Year Anniversary* was presented with Liz Chehayl, liaison between the NGC and NBG, providing historical information of its inception.
- Video was provided with several Idea Garden members presenting their area of expertise. The video is now available on the NGC website.

Communication
