

NAPLES GARDEN CLUB

nurturing, growing & contributing

General Meeting via Zoom

February 01, 2021

WELCOME

President Sally Lutz called the Zoom Membership meeting to order at 1:03 PM

Business Meeting

President

Sally Lutz

Minutes: Sally advised that the January 04, 2021 General Meeting Minutes are on the NGC website and will be approved unless she is contacted after the meeting.

House & Garden Tour: The H> 2021 video is ready to be launched on February 6th at 10 AM. A link will be sent to NGC members and past H> participants on Friday, February 5th.

Naples Botanical Garden Catherine Ware matching gift:

- Catherine acknowledged she would continue to match donation gifts to the NBG by NGC members.
- Members donating should make note that the gift is to be for the Evanstad Horticulture Campus initiative.

Program

The Evanstad Horticulture Campus at the Naples Botanical Garden

- Brit Patterson-Weber, Vice President Education, orchestrated a 20-minute video presentation with interviews with staff, Brian Galligan and Chad Washburn regarding the current progress and future plans for the new horticulture campus.
- Bold Solutions organized 10-15-member break out groups lasting approximately 10 minutes to provide a socialization experience among members.

Post Program

Communication

Sally Lutz

Break out Groups: Members are encouraged to email Sally regarding thoughts on the social *Break Out Group* experiment.

Next NGC Zoom General Meeting: Program will be *The Important Role of Florida Native Plants in our Environment* March 1, 2021. Registration on the NGC website is now open

Members be on the alert for the email regarding the virtual H>.

103 NGC members, including provisionals, were signed in online.

Meeting Adjourned 1:38 PM

Respectfully Submitted,

Jane Ewy, Secretary
